

**PPK**

**Small steps**

**to build**

**your financial safety net**

Thanks to employer and the state, contributions to your PPK almost double

**Employee contribution**  
**2%** of your salary

**Employer contribution**  
**1.5%** of your salary

**State contributions**  
**PLN 250** for a start  
**PLN 240** every year

Employee and Employer contributions are calculated based on gross remuneration

### Easy access to your PPK savings

- ✔ You can check the value of your savings
- ✔ You decide when you withdraw the money
- ✔ In the event of your death, money in PPK is inherited by your loved ones
